Foreign Exchange Students Recognition Award

It is my pleasure to recognize our two exchange students. Both of them have been very involved in the Massabesic school community. This has ranged from track to tennis and basketball.

We would like to thank their host families for providing them with a home in our district. They came as ambassadors and leave as our friends. Congratulations and best wishes for the future to each of you! We'll miss you both!

JOHANNES AHREND is from Wittstock, Brandenburg in Germany and lives with the Webster family from Waterboro.

MILENA BERTHOLDO is from Madrid, Spain and lives with the McLean family in Limerick, Maine.

Early College for ME

Early College for ME is a college transition and mentoring program connected to the Maine Community College System. Students join the program their junior year and then meet with an Early College for ME representative, receiving support as they prepare to leave high school and move into college. If they decide to enroll at a Maine Community College, this mentoring continues but at the community college level. Seventeen of this year's seniors have participated in this program for the last two years and five students have been offered a \$2000 scholarship to one of the seven Maine Community Colleges. The scholarship is contingent on the student enrolling full-time at a Maine Community College in the fall. It is my pleasure to recognize the five students receiving the Early College of ME scholarship.

I'd ask the audience to please hold its applause until all names are read, and students when your name is called please come forward:

Finance Authority of Maine

The Finance Authority of Maine is excited to announce that two MHS students are recipients of awards through the 2018-2019 Educators for Maine Program. Educators for Maine is a state-administered loan forgiveness program designed to recognize students pursuing careers in teaching in the State of Maine. Applicants were selected on the basis of academic performance, activities and a written essay. Congratulations to **Clinton Phinney** and **Lydia Wasina** who will receive a loan of up to \$3000 per year which is forgivable upon teaching in Maine schools after graduation.

The Daughters of the American Revolution Good Citizenship Award

The Daughters of the American Revolution Good Citizenship Award is a prestigious award for which one high school senior from each school can be nominated. Teachers nominate seniors who demonstrate the characteristics of **dependability, service, leadership, and patriotism** and then the senior class votes to determine the final recipient. The school recipient is then invited to participate in the scholarship portion of the program. Massabesic High School is pleased to announce that this year's recipient of the Daughters of the American Revolution Good Citizenship Award is **MORGAN PIKE**. Congratulations, Morgan!

Private Outside Scholarships

2018 Mitchell Scholar Award

The Senator George J. Mitchell Scholarship Research Institute awards scholarships each year to graduating seniors from every community in Maine. The scholarship award amount is \$9,500! This year there were over 1,700 applications from across the state, resulting in a highly competitive selection process. Please join me in congratulating this year's Mitchell Scholar from Massabesic High School:

SARA WOODWARD

The Tyler/Grandmaison MELMAC Scholarship

Richard W. Tyler was an educator of many strengths who cared for students deeply. He was the first director of the Maine Principals Association. This scholarship in the amount of \$2,000.00 recognizes a student who is active and successful across the board.

HANNAH JORDAN

National Merit Scholarship

Congratulations to Elijah Stitson for being named as a National Merit Scholarship winner! This year's National Merit Scholarship Program began in October 2016 when over 1.6 million juniors in more than 22,000 high schools took the PSAT/NMSQT, which served as an initial screen of program entrants. In the fall of 2017, the highest scoring participants in each state, representing less than one percent of the nation's high school seniors, were named Semifinalists. Only these 16,000 Semifinalists had an opportunity to continue in the competition. From the Semifinalist group, some 15,000 students met the high academic standards and other requirements to advance to the Finalist level of the competition, and by the end of the 2018, only 7,500 Finalists will have earned the "Merit Scholar" title. Congratulations again to Massabesic High School's **ELIJAH STITSON** for earning a spot in this elite group!

Horatio Alger Association

The Horatio Alger Association of Distinguished Americans honors your academic accomplishments, leadership potential, commitment to serve your community, and desire to achieve and succeed in the American free enterprise system. For exemplifying the American tradition of overcoming adversity and achieving success through hard work, determination, integrity and perseverance, the Horatio Alger Association is please to name:

EMILY CYR

Ferguson Enterprises Scholarship Award

Ferguson Enterprises Scholarship Award congratulates and recognizes **SARA WOODWARD** as a 2018 Ferguson Scholar in recognition of outstanding service to her school and community, academic achievement and commitment to excellence and personal character. This award in the amount of \$1,500.00 per year, is renewable for four years of undergraduate study, for a total award of \$6,000.

MES Foundation

Morgan Pike has been selected out of 500+ applications to receive the Richard H. Pierce Memorial Scholarship. Morgan is one of ten award recipients who will receive a \$5,000 scholarship which can be renewed for up to four years.

MORGAN PIKE

Community Service Awards

Approximately 14 years ago, a parent led group at Massabesic High School started the MHS Voluntary Community Service Honors program. When that group disband several years ago, the high school chose to continue honoring students who volunteer. To qualify for this honor, students need to volunteer 100 or more community service hours helping to better the school and larger community. Students are required to turn in documentation for hours served. At this time, I would like to recognize the students who have donated between 100 to 299 community service hours. I will read the list in groupings and ask the students to come forward when their names are called. Please hold your applause until each group has been called.

Honor Awards

Perhaps the most significant awards given this evening is the honor awards because they reflect high achievement for not just one year, but for the entire four years of high school. It gives me great pleasure to recognize the Massabesic High School Class of 2018. Ranking third in the class, the **Honor Essayist** – ZOE PETIT. Ranking second in the class, the **Salutatorian** – SARA WOODWARD. And the student who is first in the Class of 2018, **Valedictorian** –ELIJAH STITSON.

President's Speech – KATE SHUBERT
