### GUIDANCE

**Seniors:** After high school are you pursuing training in one of the trades? The Maine Blue Collar Scholarship may be for you! Please see the attached copy of an email that was sent to MHS or look at the Maine Blue Collar Scholarship website.

**Seniors:** Some college application deadlines have passed but many other colleges are still accepting applications. In fact, if you complete your application to the University of Southern Maine by April 1st, you will be automatically considered for Merit Scholarships. Please see your guidance counselor for help with the application process to this or any college. We want to help!

**Sophomores and Juniors:** the Sanford Regional Technical Center application deadline is March 8, 2019. For information on what SRTC offers or to apply on-line, please visit the SRTC website. If in need of assistance, please see guidance.

**Seniors and families:** Struggling to understand the financial aid award letter? FAME's section on Financial Aid Award Letters may help!

**Notice: All State of Maine grade 11 students** will be taking the SAT test on Tuesday, April 9, 2019.

Want to study for the SAT? <https://collegereadiness.collegeboard.org/sat/practice>

**Talented junior math and science students:** Are you considering engineering in your future? UMaine's Consider Engineering Program is a great way to explore engineering before actually applying to college senior year. This free summer program is open to juniors who will be seniors during the 2019-2020 school year. Applicants should be strong students pursuing a well-rounded high school curriculum and involved in activities at school and/or in the community. More information can be found here: 2019Consider Engineering Brochure.

### ACTIVITIES
