The Massabesic High School Girls Lacrosse Team is hosting their annual Spring Cleanup Fundraiser. Spots are limited so please contact Marianne Stephenson if you'd like to hire a crew. (See attachment for more information.)

The class of 2020 is excited to host the 2019 Junior/Senior Prom, Starry Night, on May 4th, at The Italian Heritage Center! Please see the attached flyers for details about the prom, ticket sale information and photography packages. Please e-mail jenniferblair@rsu57.org or amandatodd@rsu57.org with any questions.

On Monday, March 25th, during Advisory, there will be a meeting in the auditorium for dual enrollment. Students interested in registering for summer courses and fall courses for dual enrollment should attend. Please bring something to write with.

STUDENT SPOTLIGHT

Congratulations to the following Honored Students for February: Amber Arsenault, Jordan Baillargeon, Michael Baker, Samuel Boisert, Madison Bors, Kiley Clock, Alexi Dyer, Madison Gadbois, Caitlyn Hall, Aiden Harris, Kayla Hood, Samantha Johnston, Cassandra LaPanne, Matthew Morrison, David Penney, Hayden Peters, Loghan Raber, Taylor Seely, Connor Volkay and Zachary Weko.

GUIDANCE

Save the Date - Freshmen Orientation for 8th grade parents and students will occur on the evening of April 2, 2019. More information to come.

Save the Date - Juniors and their parents or guardians: In the MHS Auditorium on the evening of Wednesday, May 1st, MHS will host a **College Search and Application Process & Financial Aid** presentation. The MHS School Counselors will discuss applying to college and the Finance Authority of Maine will discuss Financial Aid. Please join us!

Talented junior math and science students: Are you considering engineering in your future? UMaine's Consider Engineering Program is a great way to explore engineering before actually applying to college senior year. This *free* summer program is open to juniors who will be seniors during the 2019-2020 school year. Applicants should be strong students pursuing a well-rounded high school curriculum and involved in activities at school and/or in the community. More information can be found here:

University of New England: Health Professions Degree Expo 2019

Want to learn more about different health profession careers? Unsure about which profession you want to pursue? This Health Professions Expo is designed to provide insight into the various health professions and provide students/parents information about UNE. Professions represented: College of Osteopathic Medicine, Dental Medicine, Nursing, Pharmacy, Physical Therapy, Social Work, Physician Assistant, Athletic Training, Exercise Science, Public Health, Dental Hygiene, Occupational Therapy, Humanities-to-Medicine (HuMed), Pre-Health Programs and more! There is no cost for the event, but [donations for Camp Sunshine are encouraged.](#)

Date: Saturday, April 20, 2019

Time: 8 AM - 2:30 PM

Location: Innovation Hall, University of New England, Portland Campus

Registration needed: [UNE Health Professions Degree Expo - Registration Link](#)

Reminder From College Financial Aid Offices - If you have applied to college, make sure you are checking your email - the email the college gave you - for deadlines and announcements. Missing an email or not responding to an email could cost you an opportunity or access to some money for college! And parents, these emails are being sent to your student - not to you. Please make sure your student has set up his/her college account and that your student is checking the college email at least once a week.

Seniors and Parents: The local scholarship packets were given to seniors on Wednesday, March 13th, during advisory. The same packet, as well as some additional information and scholarships, has been uploaded to the MHS Guidance Department website under [Scholarships](#). Remember - Details and Deadlines Matter!

Progress Reports were updated and active in each student's SYNERGY account on Wednesday, March 20, 2019. If you do not have access to your student's SYNERGY account, please email Ms. Audree Roy at audreeroy@rsu57.org. Please include your name, your email address, and your child's full name.

Reminder: As required by the Maine Department of Education, juniors will be taking the SAT test during the school day on April 9th. Students can participate in individualized practice for the SAT by logging into their Collegeboard account and then linking to Khan Academy.

ATTENTION AP Students: Final payments are due at this time. Please send payments into Guidance asap to ensure a test is ordered for you on testing day. Please make checks payable to MHS.
