

SENIOR COLLEGE KICKOFF!

Are you concerned or feeling overwhelmed about the college application and financial aid process?

If so, this night is for you!

Where: MHS Auditorium - West Building
When: Wed. October 17, 2018 @ 6:30 PM

Come to learn more about the College Application and Financial Aid Process with the Senior Counselors Deborah Curtis and Scott Harris.

Fall is the time seniors in high school begin to apply to colleges and for financial aid. We want to help and all are welcome - even if your student is not a senior and you just want to get a head start! We'd love to have you!

Note: If you attended the "College Planning Workshop" on March 28, 2017, the Senior Kickoff Presentation will cover many of the same topics. However, there is always new information to hear about.
